

Die unendliche (Leidens-)geschichte - Autozulassung in Italien

Post by "Citizen x" of Jun 25th 2020, 7:20 pm

Hello everybody.

Ciao Tom.

I'm really embarrassed.

But all of you are right.

Unfortunately the most of Italians are happy with their smartphones, smarttv, wine glasses, restaurants, holidays and their right to whimper for everything is not perfect for them (and policy and economy are not in the list).

... no comment
